

2009 Aggie Muster - Beijing, China

This year's Aggie Muster in Beijing was a smashing success and led by the Texas A&M China Club on the eve of Tuesday, April 21, 2009.

The standing President of the Texas A&M China Club in Beijing this year is Mr. Brian DeSpain ('05), originally from Houston and residing in Beijing for 3 years.

Some 20 Aggies, their spouses, family and friends gathered at Tim's Texas BBQ in the Central Business District of China's capital city beginning at 6pm.

Beverages were complimented by an all-American menu with Texas Aggies' favorites: chicken and beef BBQ, ribs, beans, cole slaw and potato salad, assorted with bread, vegetable cuts, fried onions and various dipping sauces for good measure.

The assembly was called to order at the beginning of dinner by Texas A&M China Club Founding President, Mr. Cyrill Eltschinger ('89) {above photograph: top row, 3rd from right}. The international group enjoyed sharing memories, while making new friends and participating in the Aggie Muster 2009. Nationalities represented this year, listed by alphabetical order: American, British, Canadian, Chinese, Cuban, Singaporean, and Swiss.

On a large screen, the entertainment included the following videos: "Aggie Football Highlights 2006"; "Aggie Impact"; "A Legacy of Excellence"; and concluded late that evening for everyone's viewing pleasure with Walter Wanger's timeless motion picture: "We've Never Been Licked".
